Lamoille County Mental Health Services mission is to provide comprehensive community mental health, developmental and related services to the Lamoille Valley. Our services include individual, family and group therapy, medication therapy and support, emergency and crisis support, developmental, day treatment, housing, vocational, child care and school-based behavioral supports, and outreach services to individuals and families.

We are organizing our 4th Annual Zumbathon® fundraiser on March 30. It is a great cause and since LCMHS is a 501(c) 3 organization your monetary donations are deductible as charitable donations for federal income tax purposes.

All proceeds from the Zumbathon® will support the capital campaign for the Tiny House Project, which consists of transitional housing for individuals served by Lamoille County Mental Health Services that need our support to transition to independent living.

Please contact: Luciana Swenson at donate@lamoille.org or 802-888-5026 ext. 103 or visit our website at www.lamoille.org then click on “News & Events” > “2019 Zumbathon” and select “Sponsor Today”.
