NOTIFICATION OF PERIOD OF PUBLIC COMMENT

Pursuant to 18 V.S.A. § 8907 and the Administrative Rules on Agency Designation, the Vermont Department of Mental Health (DMH) and the Department of Disabilities, Aging and Independent Living (DAIL) hereby notify the public of the **Application for Redesignation** of Lamoille County Mental Health Services (LCMHS).

A 14-day period of public comment is provided for DMH and DAIL to gather information about Lamoille County Mental Health Services (LCMHS) as part of the process to decide whether or not the State of Vermont will renew the agency's designation to deliver developmental and mental-health services to adults, children, adolescents and families in Lamoille County. Comments from clients, parents, family members and other concerned citizens about your experiences with services provided by LCMHS are welcome. Public comments will be accepted for the two-week period from Sunday, June 07, 2026, until the close of business on Saturday, June 20, 2026. In particular, DMH and DAIL are interested in knowing:

1. Are you filling out this form regarding developmental or mental health services, or for both?
2. Do you identify as a current or former client, a current or former staff member, or have another affiliation with the agency?
3. Does LCMHS work well with other local organizations?
4. Do people get the mental health and disability services they need?
5. Are services provided when people need them?
6. What does LCMHS do well?
7. Do you have ideas for how LCMHS can improve?
8. Would you recommend the agency to others?
